

# Discover FLEMISH BRABANT

## TOP 3 things to do in Flemish Brabant

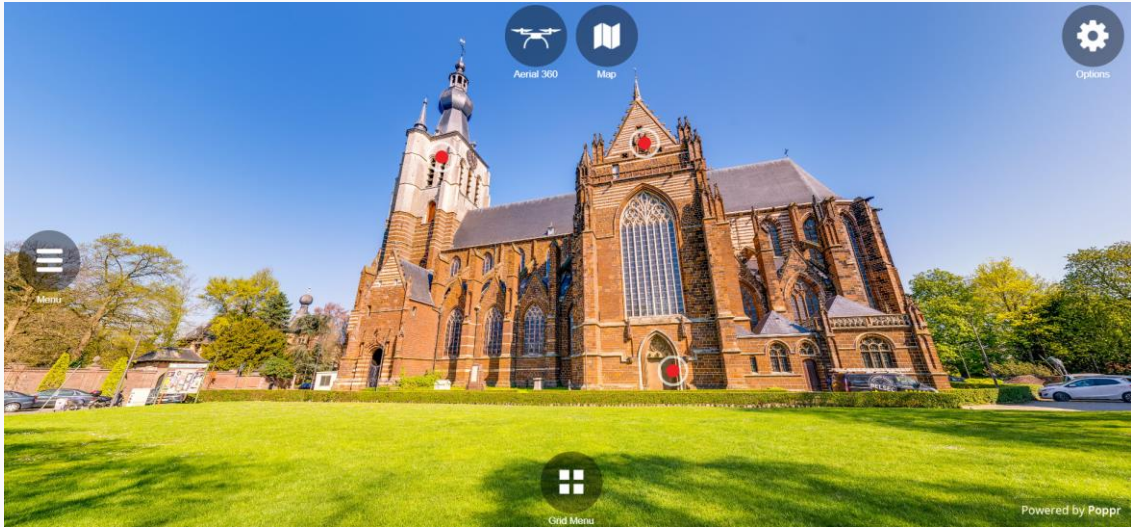

With fewer students lurking the streets, you'll have plenty of space to discover Arenberg Castle and the campuses of one of Europe's most renowned universities, the KU Leuven.

Walk of the month: [Mene & Jordan Valley Walk!](#) This route takes you along the Hageland's prolific fruit orchards. Don't forget your hiking boots or a sturdy pair of wellies!

Curious about what Diest and Aarschot are like, but not sure yet whether they're worth a visit? (Are you kidding? Of course, they are! 😊). Explore the region with gorgeous 360° panorama shots and start planning your visit.

**Stay on track.. with local Sander**

Sander will be taking us along to the region he was born and raised in, the Zenne River Valley. After graduating, he got started as a brewer at one of the world's most renowned Lambic breweries, the revered Mort Subite. Now he is also volunteering as a tour guide *and* nature guide on the side. He's sharing his favourite haunts with us as a special favour – the spots that even as a local, continue to fill him with wonder.
